RENEWED PETITION FOR REVIVAL OF AN APPLICATION  
FOR PATENT ABANDONED UNINTENTIONALLY  
UNDER 37 CFR 1.137(b)

Honorable Assistant Commissioner for Patents:  
Arlington, VA 22202

This serves as a renewed petition to revive the application number 09/712,749 which was abandoned. The petition for revival filed Oct 16, 2003 (Original Petition) for this application was dismissed under in a letter dated December 3, 2007 from the USPTO (Letter). In dismissing the Original Petition, the Letter stated that Item (1) of 37 CFR 1.137(b) was not met in the Original Petition. Specifically, it stated that there was no response to the January 17, 2003 Office Action in the case. The Letter also states that the reply to this Office Action must be a 1) notice of appeal, 2) an amendment that prima facie places the application in condition for allowance, 3) a Request for Continued examination, or 4) a filing of a continuing application.

Applicants note that a response to the January 17, 2003 office action was faxed to the USPTO on February 12, 2003. (Response to Office Action). In that Response to Office Action, claims 1 and 17 were amended to include the limitations of allowable claims 16 and 24, respectively. Also, claim 25 was allowed. Accordingly, because dependent claims 16 and 24 were indicated as allowable and because the Response to Office Action amended the independent claims to include those limitations, the Response to Office Action placed the case in condition for allowance in that no outstanding rejections remained. A copy of the response, the fax cover sheet, the transmission verification report, and the Auto reply from the USPTO are included with this Renewed Petition.

Apparently, the above cited Response to Office Action was never entered by the USPTO.

Because, the above cited Response to Office Action was submitted with the Original Petition, and because the above cited Response to Office Action was "an amendment that prima facie places the application in condition for allowance, the Original Petition to revive this application should have been granted.

The Letter also cited a second reason for rejecting the Original Petition to revive. The second reason is based on the contention that Douglas W. Gilmore was not authorized to charge the petition fee against the deposit account of the Original Petition.

Applicants thank Irvin Dingle for the telephone interview granted Assignee Attorney David G. Dolezal on January 24, 2008. In the interview, the second reason for rejection (the authorization for the petition fee) was discussed. To respond to this reason for rejection, Mr. Dingle stated that the person signing this Renewed Petition would have to be authorized to charge the deposit account on cited on the Renewed Petition. Applicants do not have to show that Mr. Gilmore was authorized to charge the deposit account of the Original Petition. Accordingly, this reason should be overcome.

Accordingly, Applicants respectfully requests the revival of this application and its allowance.

Respectfully submitted,  
Fu et al.
